

It is very important to note that the TIPG program is not funded through UH General Funds. All personnel and operational costs are recovered through grants and partnerships. For sustainability of TIPG and STAN operations services fees are assessed.

## Video Conference Fees

Description	Private Sector	Non-Partner/Non Profit	Partner/UH Courses
Video Conf Setup Fees	\$250 Flat Fee	\$125 Flat Fee	Waived

### Video Conference Setup Fees:

The conference fee includes video conference setup and coordination, connecting up to 10 (TCP/IP video conference or audio sites), the use of a Multi-Conference Unit Bridge (MCU), Site testing and Technical Support.

TIPG may make exceptions for private sector use of the network under special circumstances and projects such as economic development and sustainability, training, and other non-commercial uses. TIPG/STAN approval will be on a case by case basis.

Fees and charges are waived for courses scheduled on the standard UH semester calendar with standard tuition fees and no additional faculty overhead.

\* If STAN Operations are required to Call Out (or to initiate) a International Long Distance call, then charges will be assessed on actual International Long Distance charges that are charged by the Long Distance provider. In this case, the Conference Requestor or Conference Coordinator will be required to have on file with STAN Operations, an updated Account Application form. This will enable STAN to bill the International Long Distance charges to the Conference Requestor or Conference Coordinator.

International Long Distance calls requiring STAN to initiate or call out, for any conference, must be requested and approved prior to the date of the conference.

## Fraction of Hour (Video and Audio Conferences):

Any conference that runs a fraction of an hour, and are on a charged schedule, will be assessed as a full hour.
